CONCURRENCE SHEET

PROPOSED ISSUANCE: Notice No. [REDACTED] Leave, Reduction of Excess  
Annual Leave Accumulations  
DRAFT A 18 March 1954

25X1A

CONCUR:

- (a) Substance
- (b) Classification
- (c) Distribution

25X1A

Inspector General

Office

24 March 1954

Date

COMMENT

This Office does not concur in this regulation in view of current efforts in the Congress to change the restrictions on the accrual of leave, and the probability of some of these restrictions being lifted.

X  
Further, inasmuch as Federal employees have traditionally accrued leave as insurance against extended illness, RIFs, or Administration changes, I do not believe it wise either from a morale or efficiency viewpoint to require mandatory reduction of leave accumulation unless absolutely required by law.
